

The sera Group – an overview

The independent, privately owned **sera** group is now being run by a member of the third generation of the family – Graduate Industrial Engineer Carsten Rahier, MBA. For over six decades, **sera** has been developing product and system solutions in the field of dosing and compressor technology for a wide range of trades and innovative industries – solutions that meet the exact requirements of the market. As one of the world's leading manufacturer of dosing pumps, dosing units and diaphragm compressors, **sera** has more than 30 representative offices worldwide, as well as subsidiaries in the United Kingdom and South Africa.

- sera ComPress GmbH
- sera International GmbH
- sera Dosing Co. UK Ltd.
- sera DoseTech SA [PTY] Ltd.

Chairman and Managing Director:

Graduate Industrial Engineer Carsten Rahier, MBA

Managing Director:

Graduate Engineer Carsten Stehle, MBA

Trade / branch of industry:

Machine and plant manufacture

Address:

sera-Str. 1
34376 Immenhausen, Germany

Telephone:

+ 49 5673 999-00

Fax:

+ 49 5673 999-01

Homepage / Email:

www.sera-web.com / info@sera-web.com

Founded (year):

1945

Percentage exported:

more than 50 %

Number of employees:

more than 220

Product range:

- Dosing units and systems of standardised construction or made specifically to customer requirements, for almost all chemicals
- Diaphragm dosing pumps, solenoid diaphragm pumps, multilayer diaphragm pumps, piston diaphragm pumps and air driven diaphragm pumps
- Metal diaphragm compressors for the oil and contamination-free compression of all kinds of gases
- Measurement, control and regulation technology
- An extensive range of fittings and accessories

(Quality) certificates:

- ISO 9001:2008
- WHG (The German Water Resources Act)
- Internal manufacturing checks with monitoring of the final assessment (Module A1) according to directive 97/23/EC
- Confirmation on quality assurance in accordance with KTA 1401 of the VGB PowerTech
